Title	North Carolina County Road Survey of Henderson County
Date Published	1930
Date Depicted	1930
Creator - Organization	North Carolina State Highway Commission. United States. Bureau of Public Roads.
Caption	At upper right: "Henderson County, Eighth District"
Abstract	Print, in a bound volume . This map was prepared under the direction of the State Highway Commission , the State Tax Commission , and the U.S. Bureau of Public Roads . It is one of a series of county maps published as part of the State Tax Commission in 1930 . This map portrays Henderson County and shows the state highways and county roads in the county . State highways are identified by their number designation and county roads by class and type . A legend and a table reporting the number of miles of state highways and county roads of each class and type in the county are found in the lower right corner . The highway district in which the county is located appears below the title in the upper right of the map .
